Needs and Requirements:

Identified key features and functionalities to address these needs effectively.

- Clear and consistent degree plans & Updated look and feel.
- Presenting Degree Journey by Visualizations.
- User friendly Mobile Interface
- Information on Dashboard: GPA & Academic Standing.
- Improvements: Personalized notifications about upcoming deadlines.

Created our Degreeworks Homepage design, we just created to get into theme and maintain all the pages similar and easy to understand.

Elements in home page

1. **Logo: It has a meaning – We All One.**
2. **Theme: It resembles positive for end users to make they should feel lite feeling while using.**

3. Menu: Important subpages are directly mentioned in homepage to redirect user fulfil their specific need.
